1. Sign in and Sign Up Pages

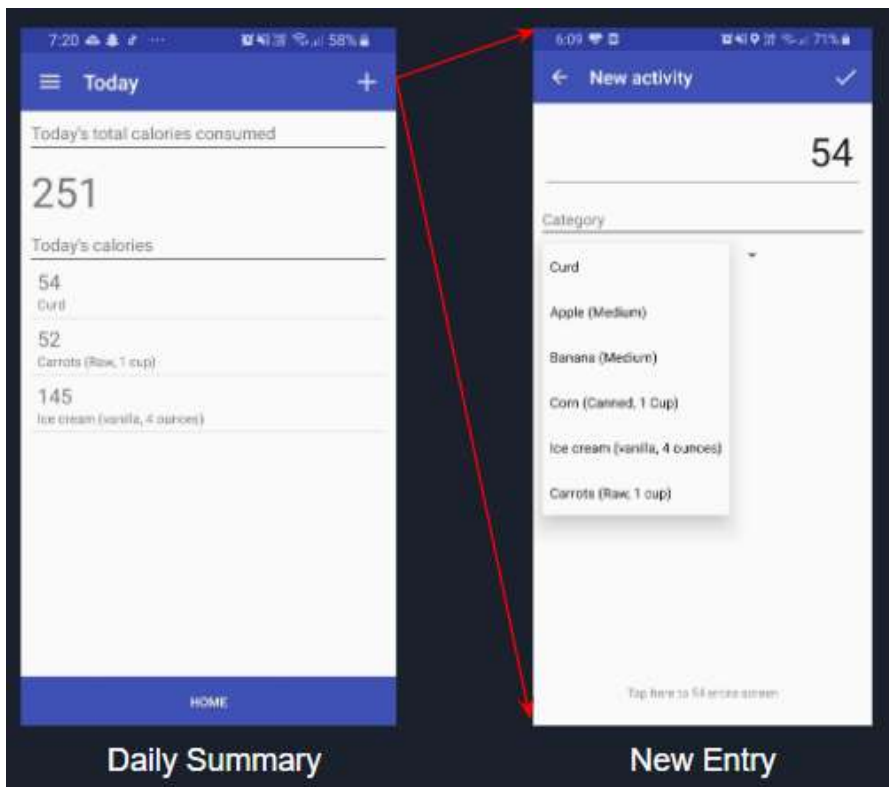

2. Home Page

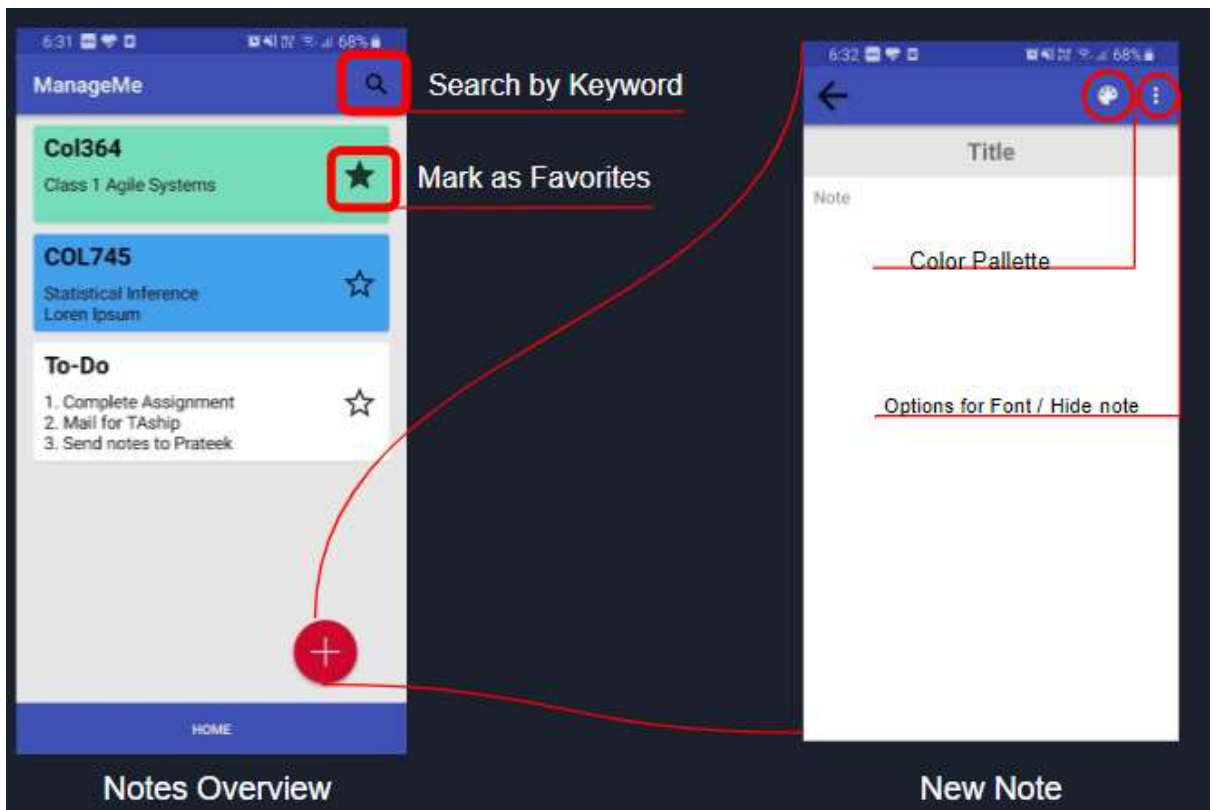

3. Expense Manager

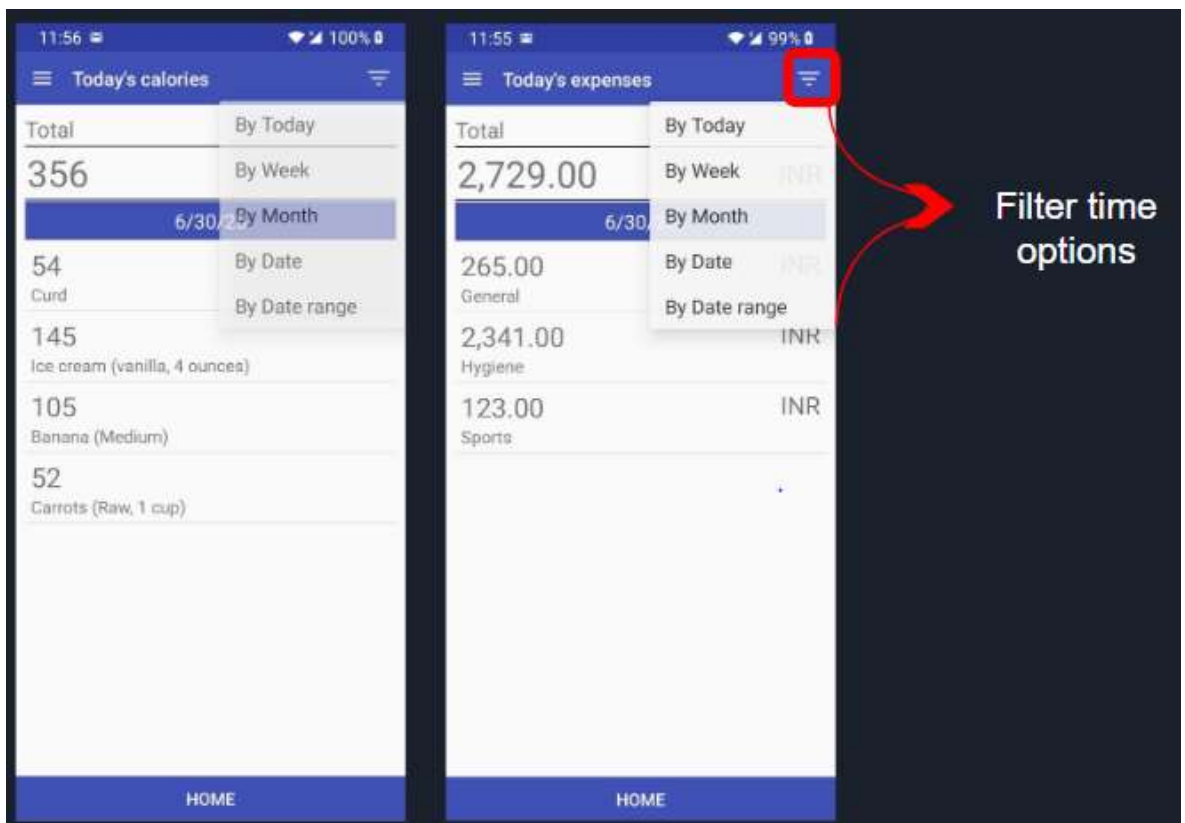

4. Calorie Tracker

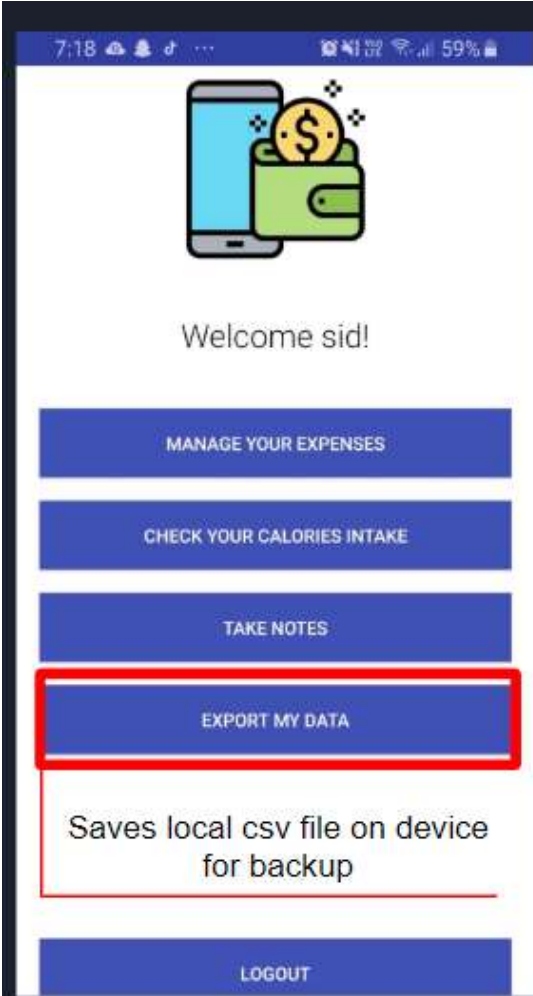

5. Taking notes

6. Filtering into monthly/weekly reports

7. Generating Local Backup

The screenshot shows the app's main menu. At the top, there is a status bar with the time 7:18 and 59% battery. Below the status bar is an icon of a smartphone with a wallet and a dollar sign. The text "Welcome sid!" is displayed. There are five blue buttons: "MANAGE YOUR EXPENSES", "CHECK YOUR CALORIES INTAKE", "TAKE NOTES", "EXPORT MY DATA" (highlighted with a red border), and "LOGOUT". Below the "EXPORT MY DATA" button, there is a text box that says "Saves local csv file on device for backup".
